Topic Career and Transition of Students with Disabilities in Colleges./
大專身心障礙學生生涯與轉銜

Date 2019.10.24(Thu.) 13:30-15:00

Short Biography Dr. Lin is an assistant professor in the Graduate Institute of Counseling Psychology & Rehabilitation Counseling at National Kaohsiung Normal University.

She was a special education teacher at the middle school level for four years. She completed a MA in special education in Taiwan before receiving her PhD in Rehabilitation Psychology from the University of Wisconsin-Madison, U.S.A.

Dr. Lin has been involved in issues and projects related to the employment of people with disabilities for 8 years. She served as the deputy director of Vocational Rehabilitation Resource Center serving the Kaohsiung, Pingtung, Penghu, & Taitung regions for 3 years.

Her areas of interest include psychosocial adjustment of people with disabilities, employment of persons with disabilities, and transition from college of students with disabilities. Dr. Lin is currently the principle investigator of a transition project focusing on college students with disabilities. She has a great passion in bridging the collaboration gap between vocational rehabilitation and education systems.
